

Fun, Friendship & Frivolity!

Red Hatters ~ Where women are royalty every day!

A women's social club whose focus is on living life to the fullest and not 'acting your age' – Growing old, loud and proud!

*We meet regularly in small local groups for outings, socialising & fun.
With larger National and International conventions and gatherings.
Non-religious and open to all women!*

*Women over 50 years of age dress in purple clothing and red hats.
Women under 50 dress in lavender and pink (until they REDuate!).*

We hold a wide range of events and outings, including picnics, coffee mornings, craft days, shipping trips, elaborate themed dinners and even cruises! Loads of fun to be had by all, and many opportunities to make friends and socialise with fun-loving women.
