

# Red Hat Society

The Red Hat Society is a social club for women, that is all about having fun, friendship, not acting your age and growing old disgracefully!

[www.redhatsociety.com](http://www.redhatsociety.com)

We are non-religious, not based on charities or fundraising – we just get together for lunches, shopping trips and other outings, purely for the enjoyment, all dressed in our “Colors”.

There are thousands of Red Hatter groups all around the world. Find your local chapter and join in the fun!

You can join at any age.

Ladies over 50 wear red hats with purple clothing.

Ladies under 50 wear pink and lavender.
